COMMUNITY, CHALLENGE, CARE

‘Let us consider how we can spur each other on to love and good works’ Hebrews 10:24

This Term’s News

Welcome back to the new school year! We hope that everyone is enjoying being back in school and getting back into the routines.

Special Events/Activities/News/Focus

The whole school took part in a bug hotel building project. Thank you to everyone who brought in resources from home for this. It was lovely to see so many families taking part in the Creation workshop at the Church as well.

The year 5’s and 6’s have continued with their Whiddon Autumn Festival performance rehearsals. Date is below.

This year we will have a major focus on maths across the school. In the early years and KS1 we will be focusing on counting and number bonds. In KS2 we will focusing on times tables and making sure we have quick recall.

Updates

Home Learning

Home learning tasks will be sent out every Monday starting from next week. Reception, year 2, 3, 4, 5 and 6 will have hard copy sheets brought home by pupils. Year 1 will be emailing tasks to parents as these will include links to phonics videos that will support the learning in class. The tasks are designed to be completed at home with an adult and do not need to be brought back into school for marking. They are an excellent opportunity for you to support your child's learning journey.

Book Donations

Nursery, reception and year 1 would like to request donations of reading books to top up their class libraries. If you have any books suitable for these age groups, please could they be dropped off at the office. Thank you.
