

16<sup>th</sup> October 2020

Dear Chagford families,

I hope you are all keeping well.

With one week left before half term, classes are concluding their topics and summarising their learning. Do ask them what they have found out so far this term in history and in science.

We have also had a week of particularly focussing on learning about Black History.

Next term we will begin our new Geography topics.

### **Ocra today**

Year 1 and 2 had a great time dancing and practicing ball skills with the Ocra team today.

How many star jumps or throw and catches can you do in a minute?

### **School Uniform**

Please can I ask parents to make sure their children are in full school uniform and sensible school shoes. If you are having difficulty purchasing uniform, please let us know. The PTFA do have a stock of good quality donated uniform. Please also ensure your children have bands to tie long hair back! And a note from the staff - names in clothing (uniform, coats) and on lunchboxes and bottles, is really appreciated!

**Brrrrr**

The weather has taken a chilly turn! We like to be outside as much as possible, so please make sure children have jumpers and waterproof coats.

### **School Council**

Our lovely Student Council reps are as follows!

Y1: Rew and Connie

Y2 Marnie and Evan

Y3: Fred and Lily

Y4: Abigail and Rupert

Y5: Alec and Ebba

Y6: Ottie and Luca

Congratulations to those children and well done to all for listening to what all the candidates had to say.

They met this week and agreed that their first job would be to ask their classes 'What would make our 'socially distant' school life even better?' They will then meet and share ideas, narrow down to their top 3 suggestions and meet Miss Penny with their proposals.

Mrs Robertson

### **End of term and half term events**

Please see attached posters with details about the Virtual Bingo and Pumpkin Hunt.

Thank you to the parents who have taken time to organise this.

All the very best

Tara Penny

Head of School
